

# Tawnamoor receives Award of Excellence 2026

Tawnamoor is a peaceful rural retreat tucked away in the heart of Cornwall, offering visitors a chance to slow down and reconnect with nature. Surrounded by rolling countryside, ancient woodland and wide Cornish skies, it is a place where the landscape itself becomes part of the experience. Tawnamoor gives a sense of calmness, making it an ideal escape for those seeking rest, inspiration, or a deeper connection to the natural world. Tawnamoor is owned and lovingly cared for by David and Emma Cole, whose vision has shaped the retreat into what it is today. Their approach is rooted in respect for the land and a desire to create a welcoming space where people can truly unwind. David and Emma have worked carefully to preserve the natural character of the area while developing facilities that are comfortable, thoughtful, and in harmony with the surroundings. Their hands-on involvement gives Tawnamoor a warm, personal atmosphere that many visitors notice straight away.

Here at E2 Media we have proudly unveiled the highly anticipated 2026 Awards of Excellence, celebrating remarkable achievements across a wide range of industries. Among this year's standout winners is Tawnamoor who has received the award for the second time in recent years. Their unwavering dedication to delivering exceptional service continues to set them apart, earning the respect and admiration of both industry peers and loyal clients. This recognition not only reflects Tawnamoor's ongoing commitment to excellence but also underscores their consistent efforts to provide a seamless, positive and memorable experience for every customer. At E2 Media, we believe in championing organisations that bring fresh, innovative ideas to their markets. They need not be the largest, but they must strive to offer something truly distinctive—above all delivering an outstanding product or service. Tawnamoor embodies all of these qualities, making them a truly deserving recipient of this year's award.

The facilities at Tawnamoor are designed to support relaxation and simplicity without sacrificing comfort. Accommodation spaces are cosy and well-appointed, offering a quiet place to rest after a day spent outdoors. There are areas to sit and enjoy the views, whether that means a morning coffee surrounded by birdsong or an evening watching the sun dip behind the hills. Paths and open spaces encourage gentle walks, reflection, and time spent outdoors, while shared areas provide opportunities for creativity, conversation, or quiet reading. Sustainability plays an important role at Tawnamoor, with thoughtful choices made to reduce environmental impact and protect the land for the future. This commitment enhances the sense that visitors are part of something meaningful, not just passing through but engaging with a living landscape.

David and Emma Cole place a strong emphasis on understanding and meeting the needs of their visitors, ensuring that every stay at Tawnamoor feels personal and well cared for. They take the time to listen to feedback, anticipate individual requirements, and offer thoughtful touches that enhance comfort and peace of mind. Whether it is providing helpful local knowledge, adapting facilities to suit different needs, or simply being available and approachable, their attention to detail creates a welcoming and supportive environment. This commitment to genuine hospitality means visitors feel valued rather than processed, leading to high levels of customer satisfaction and a sense of trust that encourages many guests to return to Tawnamoor again and again.

Ultimately, Tawnamoor is more than just a place to stay. It is a rural retreat shaped by nature, care, and intention, where Cornwall's beauty and wildlife are ever-present. Thanks to the dedication of David and Emma Cole, it offers a rare opportunity to pause, breathe, and experience the countryside in a way that feels genuine and deeply restorative.
